Snapshots of Our Week

Reading:

We practiced several reading comprehension passages this week. Next week the students will practice their skills on reading for information. We will begin our first unit in our reading curriculum, StoryTown.

Writing:

There will be a "Question of the Week" on our bulletin board outside the classroom. The students will have the opportunity to write their responses to various questions. This week they wrote about their favorite summer activity.

Math:

Next week we will begin Unit 1 in our math book. It is about place value using 3, 4, 5 and 6 digits.

Science/Social Studies:

Our first unit in science is about Plant Life. We will begin that soon!

Coming Attractions

Sept. 9 - Open House at 7 p.m.

Now Featuring:

A Two-Thumbs Up Website

Spelling City

SpellingCity is an online spelling program that makes practicing for spelling tests fun.

From The Teacher:

We had a wonderful first week of school as the children got to know each other and our new classroom. On Monday a reading log will go home with your child. Please make sure your child reads for at least 20 minutes every night. The reading log must be returned on Friday with your initials. There will be homework, but not until after open house. Also please send your child with an art smock next week (an oversized t-shirt works well). Thanks and have a great weekend!
